INDEPENDENT AUDITOR'S REPORT

Board of Directors
NEVWEST SECURITIES CORPORATION
Las Vegas, Nevada

We have audited the accompanying statement of financial condition of Nevwest Securities Corporation (the Company) as of December 31, 2003, and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended, pursuant to Rule 17-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U. S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nevwest Securities Corporation at December 31, 2003, and the results of their operations and their cash flows for the year then ended, in conformity with U. S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, and IV is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

1. ORGANIZATION

The Company is a broker-dealer with the Securities and Exchange Commission (SEC) and is a member of the National Association of Securities Dealers (NASD). The Company is a Nevada corporation and was incorporated on July 21, 1997. The Company commenced operation in October, 1999.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation and Accounting

The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services, including principal transactions, agency transactions, investment banking, and venture capital businesses. The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Commissions

Commissions and related expenses are recorded on a trade-date basis as securities transactions occur.

Net Capital Requirements

The Company engages in the general securities business. As a result, the minimum net capital required by the Securities and Exchange Commission under Rule 15c3-1 (a) (1) is the greater of \$ 100,000 or 1/8 of aggregate indebtedness. At December 31, 2003, the Company had net capital, as defined, and required capital of approximately \$ 359,621 and 100,000, respectively, and its ratio of indebtedness to net capital was 0.428 to 1.

REPORT OF INDEPENDENT AUDITOR ON
INTERNAL ACCOUNTING CONTROL REQUIRED BY SEC RULE 17a-5

Board of Directors
NEVWEST SECURITIES CORPORATION
Las Vegas, Nevada

In planning and performing our audit of the financial statements of Nevwest Securities Corporation for the year ended December 31, 2003, we have considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing an opinion on the financial statements, and not to provide assurance on the internal control structure.

Also, as required by Rule 17a-5 (g) (1) of the Securities and Exchange Commission, we have made a study of the practices and procedures followed by the Company that we considered relevant to the objectives stated in Rule 17a-5 (g): (1) in making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13; (2) in making the periodic computations of aggregate indebtedness (aggregate debits) and the net capital under Rule 15c3-3. We did not review the practices and procedures followed by the Company; (1) in complying with the requirements for prompt payment for securities under Section 8 Regulation T of the Board of Governors of the Federal Reserve System; or (2) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers, because the Company does not carry security amounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures can be expected to achieve the Commission's objectives referred to above. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control structure or the practices and procedures referred to above, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities, that we consider to be a material weakness as defined above. In addition, the Company was in compliance with the exemptive provisions of Rule 15c3-3 as of December 31, 2003 and no facts came to our attention indicating that such conditions had not been complied with during the year then ended.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2003 to meet the Company's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the National Association of Securities Dealers, Inc., and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934, and should not be used for any other purpose.
